

# TRENCHING & EXCAVATING

## 2011-2012 Competent Person Training Schedule

### WHAT:

Our Competent Person Training consists of a multimedia presentation and instruction on applicable regulations, soil analysis and the proper use and application of protective systems. The program is an overview of the Code of Federal Regulations 29, Part 1926, Subpart P- Excavations. The course content includes trench rescue basic procedures and precautions.

Each class will be conducted by an accredited instructor with field experience. Successful course completion will be acknowledged by an 8.5"x11" certificate and laminated wallet-card size certificate. **Training in the areas covered is a requirement of federal regulations.** This course has been approved for 7.75 EPA Contact hours.

### WHEN & WHERE:

Class times are from 8:00 AM - 5:00 PM at the following locations and dates:

**BakerCorp Medina Branch:** 7007 Wooster Pike Hwy., Medina, OH 44256  
2012 **Fri., Apr. 6** | **Fri., May 4** | **Fri., June 15** | **Fri., September 14**

### COST:

**Only \$135** per attendee. Payable by mail with registration form, in person prior to the start of the session, or online at [www.bakercorp.com/register](http://www.bakercorp.com/register). Fees include a comprehensive indexed manual, beverages and lunch. *(Purchase orders are accepted. Have a large group? Save by hosting a private class!)*

### WHO SHOULD ATTEND:

Any employee or organization that would benefit from training in excavation safety, compliance with OSHA standards (the law) and protective system options should attend. **This is a must do for the designated field person that must address an OSHA inspection.**

**Register by Phone (800) 401-SAFE, Fax (330) 723-6543, Online at [www.bakercorp.com/register](http://www.bakercorp.com/register)  
OR at your local BakerCorp branch:**

#### BakerCorp Medina

7007 Wooster Pike Hwy., Medina, OH 44256  
(800) 401-7233

#### BakerCorp Columbus

1688 Integrity Drive East, Columbus, OH 43209  
(614) 449-5740

# TRENCHING & EXCAVATING

## 2012 Trench Rescue Training Schedule

### COMPETENT PERSON

A one day, 8-hour course that contains essential information for both the excavating contractor and rescue professional.

**Prerequisite:** None **Cost:** \$135 per person\*

### AWARENESS

A half-day, 4-hour program. Introduces participants to the inherent dangers of excavation work, what to do and what not to do when dealing with an entrapment.

**Prerequisite:** None **Cost:** \$750 per group session (estimated)\*

This program is usually conducted at a customer provided location on a private basis or as a joint venture with others. Location may affect cost of program.

### TRENCH RESCUE - OPERATIONS

A two-day, 16-hour program. Participants will learn all shoring options available, complete with hands-on training. Participants will know how to deal with failed side walls and other difficult excavations. To help prepare each

participant for the program, study materials and a pretest are sent prior to their class date. Tests are collected at the start of the program and are a requirement along with full attendance and hands-on participation in order to receive a certificate of completion.

**Prerequisite:** Completion of a "Competent Person" training class for Trenching and Excavating. We strongly suggest a quality course with a minimum of eight hours instruction. **Cost:** \$270 per person\*

### TRENCH RESCUE - TECHNICIAN

A three day, 24-hour program. Participants will learn how to install supplemental sheeting and shoring, shore "L" and "T" trenches, shore deep excavations, install wales and secure utilities.

**Prerequisite:** Completion of the "Operations" level class. It is highly recommended that the two are completed within a year of each other. **Cost:** \$375 per person\*

\*All reference materials, beverages and lunches are included. Note: All programs are available on a private basis at our location or yours. Call for more information, pricing and availability.
